

FABRIC BOWLS SIZE GUIDE

*approximate based in inches off of standard 2.5x44" strips

Turn Up refers to when to flip base up to start building the walls. Measurement used is counting strips past the middle two starting strips.

SIZE	HEIGHT	WIDTH	START	TURN UP	STRIPS
XS	1	6	2	4	2
S	3	7	2	4	4
M	6	9	2	4	8
L	7	11	2	6	12
XL	9	13	2	8	16

You can decide how large you would like your bowls. There is no right or wrong when creating these fabric creations. If you are looking for smaller then use less strips, if looking for larger use more strips. Know that the larger and more oval you go the more flimsy the sides may be.
